

**NOTICE OF MEASURE
TO ACHIEVE A LEGITIMATE OBJECTIVE UNDER CHAPTER 7 OF THE
CANADIAN FREE TRADE AGREEMENT (CFTA)**

APPROVED BY THE GOUVERNMENT OF QUÉBEC

Regulated occupation name: Advanced Care Paramedic	
Province(s)/Territory(ies) whose workers are affected: All provinces and territories are affected. Visit the following website to identify requirements by jurisdiction: http://www.msss.gouv.qc.ca/reseau/mobilite-de-la-main-d-oeuvre .	
Under which legitimate objective(s) is/are the measure(s) being filed : Public security, protection of human life and health.	
Additional Requirement(s): The practice in Québec requires from professionals the mastering of sufficient competencies, knowledge and abilities to perform the full scope of practice of advanced care paramedics. The scope of practice of advanced care paramedics also includes all activities related to the practice of primary care paramedics. There is a difference in scope of practice between Québec advanced care paramedics and those of other provinces and territories, notably related to the use of certain devices or the ability to perform critical clinical acts that are not performed in other provinces and territories. As a result, advanced care paramedics from other provinces and territories do not have the necessary competencies and knowledge to practice in Québec which could pose a serious risk to public security and protection of human life and health.	
Additional Requirement(s) : In the case where the candidate cannot demonstrate that he has mastered all competencies necessary to practice advance and primary care, he would have to complete short training by module, and the appropriate exams, depending of the province and territory in which he is currently certified.	
Duration of the additional requirement(s) : Indefinite.
