

NOTICE OF MEASURE

to Achieve a Legitimate objective under Chapter 7 of the Canadian Free Trade Agreement (CFTA)

Approved by the **GOVERNMENT OF NEW BRUNSWICK**

Regulated Occupation Name:

Medical Radiation Technologists

Province(s)/Territory(ies) whose workers are affected:

Québec
Nova Scotia

Under which legitimate objective(s) is/are the measure(s) being filed:

Protection of human life or health.

Rationale/Justification:

The scope of practice of a medical radiation technologist in New Brunswick includes 4 distinct areas each of which is issued a separate license: 1. Radiological technology, 2. nuclear medicine technology, 3. magnetic resonance technology, and 4. radiation therapy technology. In NB the area of practice is indicated on the license.

In both Québec and Nova Scotia, the regulatory authorities issue a general license which does not indicate the area of practice for which the worker has been trained and has acquired experience.

Additional Requirement(s):

For applicants from Québec and Nova Scotia:

- The applicants will be individually assessed to determine if the applicant is qualified to practice in one or more of the 4 areas of practice that exist in New Brunswick.

Anticipated Duration of the additional requirement(s):

Indefinite

Date Approved:

2011 / 05 / 09
